

# Exceptional Family Member Program (EFMP)

## SemperFi-Kids IEP Parent Training Series

The EFMP hosts monthly Parent Training Workshops designed to take the confusion out of the IEP process and enable parents to be their child's best advocate.

- Learn about the IEP process and the IEP team participants
- Receive an in-depth review of assessments and how to analyze the results
- Learn how to organize your records to be current, complete and correct
