Welcome

We are pleased that you have considered the Marine Memorial Golf Course for your golf event. We are proud to offer an array of catering options. Our Tournament Representative will assist you in coordinating your event.

The Marine Memorial Golf Course is a scenic golf course nestled among rolling grass-covered hills at the end of Windmill Canyon Road aboard Camp Pendleton. With its mature trees and relatively large greens, this is one of California's best kept secrets. This 18-hole championship golf course is a challenge for even the most seasoned golfer yet it is playable for the novice. Playing 6,865 yards from the tips, this par 72 layout takes full advantage of its beautiful and secluded natural setting.
