

Marine Memorial Golf Course Policy Changes:

NEW FLAGSTICK LOCATIONS

We will no longer be performing a daily rotation of nine different hole locations. Instead, we will be using front, middle and back flagstick locations. Listed below are the colors and locations for our new flags.

Red and White checkered flags	Front hole location
Yellow and White checkered flags	Middle hole location
Blue and White checkered flags	Back hole location

INTRODUCING LASER LINK

Our new Laser Link Distance System is the revolutionary distance measurement system designed to specifically for the game of golf. We have equipped all of our flagsticks with the patented Laser Link reflectors to make the yardage devices fast and easy to use for all the players. Please ask our golf shop staff for information on how to improve your round of golf!

These yardage devices will be available to rent for the duration of your round for only **\$15.00**. If you purchase a unit after your round, your rental fee will be refunded. Share one amongst your foursome!

NEW TEE TIME POLICIES

The new policy will allow a more convenient process for the reservation of a tee time. **We are also in the process of structuring a cancellation fee for reservations not cancelled at least 24 hours in advance. Habitual no shows will be charged a green fee for each non-cancelled slot at the applicable rate.**

To allow our civilians to make a tee time on the weekend, we will reserve one slot per hour only on Saturday and Sunday. Listed below is the amount of days our guests may call in advance to reserve a tee time.

All Active Duty	14 days in advance
Retired/DoD	10 days in advance
Civilians	7 days in advance
