\*Commanding General's (CG) Cup Placement Points will not be given for the Mud Run Team Challenge, the Water Warrior Relay Challenge, or the Buffalo Alley 10K Run.

\*\*CG's Cup Points will not be given for the Tackle Football League.

An additional 80 CG's Cup points will be awarded to all units that compete in all scheduled CG's Cup Calendar events.

Entries: All Commanding General's Cup events are co-ed. A unit may submit teams or individuals for each league, sport, or event. The number of entries per unit may be limited, depending upon the event.

Placement Points: Placement points are given to 1st-3rd place for winners in each division. Points will also be given for the 1st-3rd playoff winners in each league (second number given in league placement standings). It is possible for a unit to earn all placement points. Placement points are not given for the Mud Run Team Challenge, the Water Warrior Relay Challenge, or the Buffalo Alley 10K Run.

Entry Points: Entry points are given to the first participant from each unit; additional entry points are given up to the 10th participant from the same unit, with the following exception: When different categories are offered within a sport (e.g., weight classes, age classes, etc.), a unit may receive entry points for each category entered. Team league entry points will be forfeited if a team does not complete the season unless required due to unforeseen operational commitments. League team coaches are required to inform the league director at the coaches meeting of their upcoming units' operational commitments so that the league game schedule may be adjusted to accommodate a team's availability. It may be determined by the league director that a team may not be able to participate in a league due to operational commitments.

Bonus Points: Special events may occur throughout the year as standalone events or in addition to calendared events, therefore, bonus points may be given to participating units. The point breakdown may or may not be the same as a normal tournament. Please see the 2017 Commanding General's (CG) Cup Intramural Calendar, enclosure (1).

Free Agent: An active duty Service Member may still participate in a league if their unit does not have a team entered in the league by becoming a Free Agent. Three Free Agent players per team are allowed ONLY with written authorization from their Commanding Officer, prior to participation in a basketball, soccer, or softball league. CG's Cup Points are not awarded to the Free Agent's Command.
