

# 2017 Financial NCO Course

Today's young Marines may make financial decisions based largely on peer recommendations. The Financial NCO will be a trained Sergeant/Corporal who will provide peer-to-peer influence. They will support the Personal Financial Management Program (PFMP) Staff and the Command Financial Specialist (CFS) by performing outreach to target Marines in the ranks of E1-E5 to increase the awareness of the authorized services and programs available to young Marines and why financial fitness is part of mission readiness. The Financial NCO will not provide financial counseling or training.

The Financial NCO shall function as the command's financial fitness on peer-to-peer influence and support the CFS. The following qualifications apply:

- Rank of E-4/E-5... Be a volunteer... Be command endorsed
- Have no record of NJP or poor performance counseling above the rank of Lance Corporal
- Successfully complete the Leading Marines course
- Meet Marine Corps physical fitness standards
- Be goal-oriented and motivated with good oral and presentation skills
- Have received a Standards of Conduct rating of at least 4.0 and Standards of Proficiency rating of at least 4.0 on their most recent performance evaluation
- Have at least one year remaining at the command at time of Financial NCO Course completion
- Certificate awarded upon completion

Report directly to the CFS in matters related to financial education and assist the CFS and PFMP Staff in financial classes for Junior Marines to share real-life, real-time experiences.
