RULES

1. Your ball must be easy to identify.
2. Kick off your ball from the position up to two ball lengths behind and in between the markers.
3. The ball must be played as a single movement. You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball, clearly behind, before each kick.
4. Play the ball where it lies: You are not allowed to move the ball or remove jammed objects. EXCEPTION: You may mark the spot and lift the ball when it may obstruct the other player's kick or ball in any way.
5. The player farthest from the hole is first to kick the ball.
6. If ball comes to rest on a putting green, the player must drop their ball off and adjacent to the putting green, no nearer to the FootGolf hole (no penalty).
7. The order of play is established based on score of the previous hole. The player with the best score will kick off first on the next hole followed by second, etc.
8. Wear appropriate clothing (follow Base Dress Code). No soccer cleats, (indoor soccer shoes are acceptable).
9. Have fun!
