Patient Moves for Family Medicine Clinic

By NHCP Public Affairs

MARINE CORPS BASE CAMP PENDLETON, Calif.--The Family Medicine Department at Naval Hospital Camp Pendleton is seeking patients who may be interested in moving their Primary Care Manager from the Family Medicine Clinic to the 31 Area Naval Branch Health Clinic.

“We are making some organizational changes to improve our patient’s experience,” said Capt. Mark Flynn, department head, Family Medicine Department. “This transition is intended to provide patients with a more convenient location, appointment availability, and improved access in order to provide comprehensive and high quality healthcare.”

The 31 Area NBHC is located approximately two miles from the hospital, just north of the Stewart Mesa housing area on Stewart Mesa Road.

Anyone interested in this opportunity, please utilize RelayHealth to contact your Medical Homeport team or call Lt. Angelica Fink at (760) 719-4114 or call Tina White at (760) 725-HELP (4357), option 7.
