EFMP Power Hour

Title: Self-Help Skills: Toilet Training-Everything You Need to Know

Presented by: Lauren Faith (CARD)

When: Wednesday, May 24th @ 10:00–11:00

Where: Building 13150, Classroom #2

Childcare is available for this EFMP workshop/event. Please contact your assigned FCW for assistance with the registration process.

*****Please note that childcare will be provided at a location other than the event's location.*****

Workshop Description:

- Provides a comprehensive approach to effective and efficient toilet training strategies for your child; specifically for children with developmental disabilities.
- The principals of Applied Behavior Analysis are used to systemically break down the components of toilet training.
- This step-by-step training will take you from set-up, to day one procedures, to dealing with accidents, as well as strategies to teach your child to communicate toileting needs.

Registration required for this event.
