*Commanding General's (CG) 2018 Cup Placement points will not be given for the Mud Run Team Challenge.

**CG's 2018 Cup Placement points will not be given for the Tackle Football League.

An additional 80 CG's 2018 Cup points will be awarded to all units that compete in all scheduled CG's Cup calendar events.

Tiebreaker rule for CG's 2018 Cup division first through third place finishers: If two or more units have finished the year with the same number of CG's Cup points within their respective division, the tiebreaker will be determined by the highest number of events entered per unit throughout the year. If there is a tie after totaling up the events, the tie-breaker will be determined by the number of first place finishes throughout the year.

The Marine Corps Community Services, Semper Fit Division, Athletics Department will coordinate and schedule all 1st place CG's Cup awards presentations with each division's winning unit.

Entries: All CG's 2018 Cup events are co-ed. A unit may submit teams or individuals for each league, sport, or event. The number of entries per unit may be limited, depending upon the event.

Placement Points: Placement points are given to first through third place winners in each division. Points will also be given for the first through third playoff winners in each league (second number given in league placement standings). It is possible for a unit to earn all placement points. Placement points are not given for the Mud Run Team Challenge.

Entry Points: Entry points are given to the first participant from each unit; additional entry points are given up to the 10th participant from the same unit, with the following exception: When different categories are offered within a sport (e.g., weight classes, age classes, etc.), a unit may receive entry points for each category entered. Team league entry points will be forfeited if a team does not complete the season unless required due to unforeseen operational commitments. League team coaches are required to inform the league director at the coaches meeting of their units' upcoming operational commitments so that the league game schedule may be adjusted to accommodate a team's availability. It may be determined by the league

19 JAN 2018

director that a team may not be able to participate in a league due to operational commitments.

Bonus Points: Special events may occur throughout the year as standalone events or in addition to calendared events, therefore, bonus points may be given to participating units. The point breakdown may or may not be the same as a normal tournament. Please see the CG's 2018 Cup Intramural Sports Schedule, enclosure (1).

Free Agent: An active duty Service Member may still participate in a league if their unit does not have a team entered in the league by becoming a free agent. Three Free Agent players per team are allowed ONLY with written authorization from their Commanding Officer, prior to participation in a basketball, soccer, or softball league. CG's 2018 Cup points are not awarded to the Free Agent's Command.
