Group Ex Descriptions

Cardio Dance Fusion – Challenge your cardiovascular fitness while learning different styles of dance in this high-energy, multi-level class.

Cycle – 60 minute indoor cycle class simulating outdoor riding with sprinting, intervals, and hill work. Please bring water and a towel.

Barre – combines elements and techniques from Ballet, Pilates, and Yoga that will give you a total body workout. It is the perfect combination of strength, flexibility, and balance.

Functional Strength Training – a high-energy functional fitness class utilizing equipment including barbells, TRX, dumbbells, bodybars, and bodyweight to increase strength.

High Intensity Strength – Integrating both cardiovascular and strength training, this class targets a full-body workout, challenging all fitness levels.

STRONG – Combines high intensity interval training with the science of Synced Music Motivation for a intense, full body workout.

Yoga – Improve balance, flexibility, mobility, and core strength, while learning mental relaxation and stress relief.

Power Yoga - a vigorous, fitness-based approach to vinyasa-style yoga.

Power Yoga takes the athleticism of Ashtanga, including lots of vinyasas, but gives each teacher the flexibility to teach any poses in any order, making every class different, emphasizing strength and flexibility,

Zumba - This cardio-Latin fusion class features aerobic interval training to maximize fat burning and total body toning, all to incredible music with moves that are easy to learn!
