Join us for an opportunity to meet and network with other EFMP families! This is an opportunity where members with similar life experiences can come together and share coping strategies, to feel empowered and bond as a community. This get together may take the form of providing and evaluating relevant information, relating personal experiences, listening to and accepting others' experiences, providing sympathetic understanding and establishing social networks. Children are welcome!

If you anticipate needing accommodations or have questions about physical access, please contact (760) 725-3175 for additional information.
