

Autism Spectrum Disorder & Life Transitions

Exceptional Families. Exceptional Service

Alternative Behavior Strategies (ABS) provides applied behavior analysis therapy, psychological assessments, and other services for children with developmental delays and their families.

During these Power Hour Sessions, ABS will provide families with information regarding Autism Spectrum Disorder and provide families with the tools and techniques to overcome life transitions during early intervention, elementary school integration, and puberty.

Power Hour Sessions

Early Intervention

January 29, 2019

1600-1700

-
