

HARBOR TOYS

This is a great activity for the whole family and friends come down, and have some fun out on the water. We have a large variety of equipment to choose from, and pride ourselves in having some of the best equipment offered by rental facilities. The following equipment is available for use inside the harbors: all different kinds of Kayaks options, Paddleboards, 4 seater pedal boats and powerboats. We provide the life jackets, and safety equipment that is required. You can rent any combination and head out with family and friends to explore the local area, our boat basin, and head all the way over to Oceanside Harbor to check out the sea lions. Enjoy secret beach at low tide. You can fish if you want off all our equipment with exceptions of the 18' Duffy, and we rent fishing poles, tackle boxes, and bait buckets. We have dry bags and back rest upon request. Our sit on top kayaks and nucanoes can be beached at a couple of safe locations. The pedal boats are the only harbor toys that cannot leave the boat basin. All our boats require life jackets to be worn at all times which are provided at no additional cost but If you have your own, you can bring it as long as it is Coast Guard approved. All our harbor toys will be launched from the Marina, and are not allowed to be transported in personal vehicles. Please contact recreation check out on base as they rent out kayaks and SUPs for overnight and long term rentals 760-725-5296. All harbor toys must stay out of the harbor entrance and the ocean are off limits. Please note all our powerboats require a certification; If you have a rental card from another facility or boating course that works as well. If you know how to operate a powerboat and do not have certification you can read our **on line study guide** and come in and take a 30-question test, or go to <https://dbw.parks.ca.gov/> and get a California boaters license. Please make sure to read our Marina rules for details of who and what you can bring with you, boundaries, ages, times and so much more.

KAYAK'S

We offer different types of Kayaks for rent sit on tops, Pedal and Nucanoe. We have singles and double in all types except for the Pedal kayak, they are only singles. We do have a handful of Family kayaks, which are double sit on top with a little seat in the middle for a toddler. Our Nucanoe's are great if you do not want to get wet, you sit high off the water. All of our kayaks launch from the Marina dock, and can travel throughout our harbor and Oceanside Harbor however they cannot go near the harbor entrance or ocean. You can rent by the hour or by the day (day is our operational hours and back to the dock 30 min before closing). The pedal kayaks are the only ones not allowed to go near shore or on shore because of the pedals. We have dry bags and back rest available upon request, and all patrons are required to wear a life jacket at all times that we provide at no additional cost.

Single sit on top kayak

Ocean Kayak Scrambler

3 with rod holders molded in for fishing

Capacity: 260 lbs.

Double sit on top Kayak and Family Kayak

Capacity: 550 - 600 lbs.

Great for fishing, we are the only rental facility in US to offer these.

Nucanoe a hybrid between a kayak and canoe

Single or Doubles

Capacity: 450lbs 10' and 525lbs 12'

STAND UP PADDLE BOARDS

We have fiberglass stand up paddleboards, that are like surfboards. They have pads for your feet and track really well in the water. Boards are all different sizes from 10' to 12.5' long, and can hold weight of 200 – 280 lbs. All of our SUP's will be launched from the Marina dock, and can be rented by the hour or by the day (day is our operational hours and back to the dock 30 min before closing). They can be lifted out of the water and set on the sand, but not on the rocks. These boards are fiberglass so they cannot be dragged, and are one person per board; no kids are allowed to ride along with an adult. We do not have an age requirement however, the person does need to be strong enough to maneuver the board in the current wind conditions on their own. All patrons are required to wear a life jacket that we will provide free of charge.

Different brands we carry:

UP SPORTS, VESL, and FISHER

10' x 30.75' to 12.4' x 33.5'

PEDAL BOATS

We have four seater pedal boats available for rent perfect for cruising the boat basin. They are fun for just hanging out on the water with just one or four people; best part is you will stay dry unless you purposely want to get wet. They are limited to just the Marina Boat Basin, and cannot get close to shore due the paddle wheel and rudder.

POWER BOATS

13.5 BOSTON WHALER

We have two Boston Whalers with 25 hp. engines on them that are set up for fishing or harbor cruising. The boats are also equipped with rod holders on the back of seats, and on the sides and, with an anchor so you can hold fast at your favorite fishing spot. VHF and bait buckets are available if you need one as well as fishing Poles and tackle boxes are available for rental. Powerboats require certification for rental. Please see the Marina rules for more information.

We have very limited supply of our powerboats so strongly suggest you make reservations.

(Please read Marina Rules for more details and information)

DUFFY 18' ELECTRIC

This is a wonderful harbor cruiser to take family and friends out on. It holds up to 9 people, and is all self-enclosed for the winter time, but for the other times of the year the windows pull up so you can feel the nice ocean breeze. It has a radio and CD player on board, and best of all its electric and super quiet. There is also a nice table inside with cup holders and comfortable seating all around. A certification and check ride are required to rent this boat, please see the Marina rules for more information. Please note no alcohol on any of our boats.
