## A GUIDE TO YOUR REENLISTMENT

### DON'T MISS THE BOAT

If you plan to submit for reenlistment, don't wait until the last minute!

Fiscal Year 2023 submission period has already started.

#### Reenlistment Options:

24 month reenlistment  
36 month reenlistment  
48 month reenlistment

Allocations are limited and your MOS could close out. If you're on the fence - or even if you don't plan to submit for reenlistment at all -- it still doesn't hurt to submit as a backup plan.

If you get approved for reenlistment, you are **not obligated** to accept it. It's better to submit for reenlistment and decline it, than to try to submit at the last minute, only to find out that your MOS is closed!

#### Extensions:

Any FY23 Marine can extend until August 2023 as long as they are not pending medical or legal. This extension will not require you to reenlist later on; it can be used to assist with transition.

**\*Any Marine that reenlists within 1st Marine Division during FY-23 is authorized a 96 hour liberty period!**

### INCENTIVES

Duty Station Incentive: You can request where you would like to be stationed. These incentives are limited and your reenlistment request **must be submitted to HQMC prior to 15 Sept 2022.**

**Bonus:** You may be eligible for a bonus with your reenlistment (must reenlist for a minimum of 3 years) plus an additional kicker.

#### 72 Month Lateral Move Kicker:

Marines who execute a Lateral Move to one of the below MOSs will rate \$40,000 **in addition** to the MOS bonus.

- 0231 (Intelligence Specialist)
- 0311 (Rifleman)
- 0352 (Antitank Missile Gunner)
- 0627 (Satellite Transmissions System Operator)
- 0631 (Network Administrator)
- 0671 (Data Systems Administrator)

Example: A Cpl reenlists for 72 months with a lateral move to 0231 (Intelligence Specialist); Marine would receive \$12,500 for the MOS PLUS \$40,000 for a 72 month reenlistment (**total: \$52,500**). \*\*All bonuses are lump sum.

#### \*Infantry Squad Leader Kicker:

- 0311, 0331, 0341 and 0352 Cpls and Sgts (at the time of approval).
- 48 month reenlistment to stay in a V Unit.
- Receive \$13,000 for 24 months at V unit or \$20,000 for 36 months at V unit **in addition** to the MOS bonus.
- Protected from the HSST during that period.
- Example: 0311 Cpl reenlists for 48 months and agrees to stay with V unit would receive \$16,250 for their MOS PLUS \$13,000 or \$20,000 (total \$29,250 or \$36,250).
